

HENDERSON HAMMOCK CHARTER SCHOOL

October 20, 2016

Parents,

As we prepare for the start of a new school year, we wanted to update you regarding the availability and process for students to take virtual courses at Henderson Hammock Charter School during the 2016-2017 school year. As a school of choice, we understand how important it is for us to provide a variety of curriculum and instructional options for our students. As such, we have integrated our own virtual courses into our curriculum that will be monitored and supported at our school center, by our own teachers. These “on-site” virtual courses are all state approved and will provide our students with multiple course options and direct support and monitoring by Henderson Hammock Charter School teachers. All virtual courses are fully and completely part of the Henderson Hammock Charter School educational program.

A complete list of virtual courses that Henderson Hammock Charter School offers is available in the Front Office. These virtual courses will become part of our curriculum and instructional offerings for our students and families who have selected Henderson Hammock Charter School as a school of choice. Since each course, traditional and virtual alike, are uniquely incorporated into our proven curriculum, virtual options are limited to our extensive list of courses. If you have any questions regarding virtual course offerings, you may contact Front Office staff at 813-739-6633.

We thank you for choosing Henderson Hammock Charter School as your school of choice, and look forward to an incredible school year!

Sincerely,

School Principal
